July 2015

Abliance become retailer of the whole BIOLABO catalogue

■ On 1st July 2015,

ABLIANCE, a **BIOLABO** subsidiary, become the distributor of **BIOLABO** reagents catalogue for retail.

For France: all orders.

Overseas: all orders below 2000 €.

■ Your current terms and conditions remain the same

Since over 30 years, **ABLIANCE** has been specialized in delivery of parcels for laboratories and research centers around the world. Reputation of antibodies produced by **ABLIANCE** has bounded the French borders since a long time.

BIOLABO keeps growing up (+40% in 2015) and keeps on delivering directly its distributors, wholesalers & importers, within over 80 countries.

■ Technical support department remains the one of **BIOLABO**
